Database Service

On our website – <https://infosociolegaldata.com>, database facility have been provided for various types of manuscripts, documents, books etc.

The Search menu, provides facilities to searching the desired manuscripts, which then can downloaded. The downloading charges have been provided in Download - → Payment Details.

The service agreement terms are to be accepted for uploading documents. The service provider who uploads the documents under respective categories, can either be give free access / free download or mention his/her charges for each download separately. The process for uploading involves providing the details which also includes bank account, in cases where the charges are to be credited for downloading the documents.

We reserve the right to accept / reject / block, the uploading process or remove the uploaded manuscript at any time including service provider details without assigning any reason.

We are not liable to any expenses incurred by service provider, for uploading the documents etc.

We do not store / backup of uploaded data including contact details, etc. However we reserve the right to store uploaded data, in full or part thereof, including contact details of service provider, for our sole internal purpose, even after it has been removed from online public access.

The time period till which the uploaded documents will remain available for the downloading is set by the company, after which the uploaded manuscript / information including details of service provider will automatically be removed by the system.

In cases where the service provider opts for keeping the uploaded manuscripts for a longer period, charges are payable, the details of which are provided at the time of uploading. The company is not liable to pay any charges for uploading the manuscripts. In cases where service provider opts for a longer time and later the service provider opts to remove the uploaded details or part thereof, sooner, NO Refund will be provided to the service provider.
