Civil & Geotechnical Engineering and Construction

The details of undermentioned categorisation of Civil & Geotechnical Engineering and Construction, has been uploaded on the website - <https://infosociolegaldata.com> –

Categorisation of Civil & Geotechnical Engineering and Construction		
S. No.	Category	Sub Category
A	Structural Engineering	Bridge Design
		Site Inspection
		Home Improvements
		Foundation Development
		Vehicle and Airplane Design
		Skyscraper design
B	Construction Engineering and Management	Residential Buildings
		Commercial Buildings
		Roads and bridges
		Water Treatment plants
		School Locations
		Hospital Environment
C	Geotechnical Engineering	Water tank reservoir systems
		Sewer tunnel systems
		Pavements and roads
		Natural embankments
		Historical monument restoration
		Soil sampling and testing
D	Environmental Engineering	Solid waste management
		Recycling systems
		Water treatment
		Drainage systems
		Crop irrigation
		Facility Investigation
E	Transportation Engineering	Airport Design
		Traffic monitoring Systems
		Automated public transit
		Bicycle path development
		Road access management
		Pedestrian bridges
F	Water Resources Engineering	Irrigation system
		Water distribution centres
		Fishing facilities
		Waterways
		Plant nurseries
		Flood Protection facilities
